## What's the beef? A Hereford heifer in this case...

At Treflach Farm we are about to embark on a huge adventure – this time it comes in the shape of the Real Food Festival, to be held in Earls Court from 24<sup>th</sup> to 27<sup>th</sup> April.

We are going to use the festival as an opportunity to add beef to our range of high quality meats and are all very excited!

Watch this space for how to order...
